Patient Stories

Do you have a good or bad health care experience that you would like us to know about?

Our Governing Body are keen to hear from Swindon and Shrivenham people to find out more about your experiences of using local health services. This is a great opportunity to tell your story! We can share your experiences as a voice recording, film, or written account – whatever you prefer. There is no need to include your name if you do not wish to do so. We can arrange to meet

with you to discuss your story at a time and place convenient for you. If you would like to

arrange a meeting or would like more information, please contact the Communications and Engagement Team at communications@swindonccg.nhs.uk or on 01793 683700.
